CHECKLIST FOR TRAVEL

If your child is traveling by plane or train, please follow these procedures:

- If possible, make sure your child has the actual ticket or boarding pass to return home. Otherwise, please contact the camp with the confirmation number, airline and flight or train number. If possible, we will print boarding passes for them to go home.
- Send your child with a photo I.D. **All campers traveling to/from camp by public transportation (bus, airplane, train) must carry a photo ID.**
- If your child is fifteen years old or younger, he/she may be considered an unaccompanied minor and must have a ticket that corresponds with that title. You must check with the airline/train regarding their policy.
- Although NEMC has a no-cell phone-policy at camp, we encourage campers to travel with a cell phone. Cell phones will be collected upon their arrival at camp.
- Program the office telephone #207-465-3025 into your child's cell phone, so that the camper may call us directly if they have questions during travel. (Many of the campers do not understand the difference between arrival gate and security gate. If the camper calls us, we can learn exactly where they are and direct them to the security checkpoint.)
- Parents need to be available by phone on travel days. A transportation delay or other situation may require immediate contact with parents.
- Make sure your child has at least \$20.00 for ticket changes, food, etc
- Make sure that you have made shipping arrangements for luggage:
  - o Shipped luggage must be sent prepaid **at least two weeks** in advance by UPS or motor freight. Clearly address each piece to your child at the camp and **attach the label securely** to the luggage so that it cannot come off in transit.
  - o For departure, **PARENTS** must arrange prepaid shipping through the Mailing Center in Augusta, Me. This can be done online at: <http://www.mailingctr.com>
